Greetings Parent/Guardian of a Tulare Union High School Student Athlete,

We are pleased to inform you that we offer the convenience of online athletic registration through our partner company, FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile so you enter your information only once for multiple uses, multiple family members and multiple programs.

PHYSICAL EXAMS: A physical examination, completed by an MD (not a chiropractor) must be completed before an athlete can be approved for participation. This examination, coupled with completion of the online registration process, clears the athlete for all sports and cheerleading for twelve (12) months from the date of the physical examination. The Physical Examination form can be downloaded from the sports link on the Tulare Union High School website at tuhs.tjuhsd.org/athletics/ or from a link on the FamilyID registration page, www.familyid.com.

CALIFORNIA LAW

The California Education Code (Sections 32221-32224 and 49470-49474) requires that each member of an athletic team shall have insurance coverage for medical and hospital expenses in an amount of at least \$1,500 while practicing for or participating in athletic activities under the jurisdiction of a public school district. "Member of an athletic team" means member of any extramural athletic team engaged in athletic events on or outside the school grounds, maintained or sponsored by the educational institution or a student body organization thereof. "Member of an athletic team" also includes members of school bands or orchestras, cheerleaders and their assistants, pompon girls, team managers and their assistants, and any student or pupil selected by the school or student body organization to directly assist in the conduct of the athletic event, including activities incidental thereto, but only while such members are being transported by or under the sponsorship or arrangements of the educational institution or a student body organization thereof to or from a school or other place of instruction and the place at which the athletic event is being conducted.

Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses.
