

Life in the Tribe at Tulare Union A - Z

The following information and campus rules have been developed for the express purpose of making Tulare Union High School a safe, enjoyable place for our students to pursue their education. It is a fact that most students are very serious about taking full advantage of the time they spend in school. They are conscientious about their academic endeavors and realize that proper behavior is vital to making the most of their high school experience. Students who come to school to learn and to participate in school activities seldom have problems with school rules. We hope that every student will use the rules as a guide to productive behavior and make powerful, positive choices that will support a rich successful learning experience.

ABSENCES/ATTENDANCE POLICIES (See information regarding TARDY POLICIES)

Student attendance is strictly monitored. If a student is absent, their parent/guardian must call the attendance office within 24 hours of the absence at either 688-8847 or 686-4761. Tardies and unexcused absences impact grades and will result in after-school or noontime detention. Students with excessive tardies will be subject to lowering of their grade in class, suspension from class, loss of credit, and loss of off-campus lunch privileges. State law requires that all students attend school until age 18 and attend classes during all days school is in session. The following are valid reasons for absences and will be considered excused when an excuse is called in to the attendance office by a parent/guardian within 24 hours: 1) Illness of the student, 2) Serious illness or death in the immediate family, 3) Medical and dental appointments, 4) Absences approved in advance by the Assistant Principal's office.

ACADEMIC LETTERS

Academic letters recognizing scholastic achievement may be earned each semester by achieving high semester GPA's, by participating in extracurricular academic activities, or by a combination of both. Academic letter application forms may be picked up in Counseling.

ACCIDENT INSURANCE

The school district does not carry medical, dental, or vision insurance for students while they are at school or school functions. If an injury occurs at school, students must have personal insurance to cover their medical expenses or be personally responsible. It is mandatory for any student involved in extracurricular athletics to provide proof of adequate medical insurance and all students are encouraged to have coverage. Insurance verification cards may be obtained from the Nurse's office or accident insurance may be purchased through the district-approved carrier. Brochures regarding accident insurance coverage may be obtained at the Nurse's office.

ACTIVITY STICKERS

All students should consider purchasing an activity sticker for \$15. Benefits include free admission to all regular season home athletic events and entitles a student to a discount at all after game dances and is honored at all Tulare Union, Mission Oak and Tulare Western functions. Purchasing an activity sticker will provide a yearly savings of over \$300. Replacement of lost ASB cards can be arranged through the Assistant Principal's office, however there is a \$20 charge for replacement cards and \$15 for the activity sticker payable at the Switchboard.

ADVANCED PLACEMENT CLASSES

The Advanced Placement (AP) program at Tulare Union provides qualified students with the opportunity to pursue college-level courses while in high school. The AP program is a national, cooperative educational endeavor of the College Board. The program is based on the belief that high school students can successfully complete college-level studies and receive college credit and/or advanced placement for them. For more information, contact your student's counselor or Ms. Michelle Potts at 686-4761 ext. 2708.

ATHLETICS

TUHS offers a full program of athletics for both boys and girls. Only those students who have at least a 2.0 GPA on their last report card are eligible for sports. Students will be placed on probation for 6 weeks if their GPA falls below 2.0. Refer to the full sheet of information in this packet on district and school site athletics policies and ethics.

ATHLETIC (SPORTS) CLEARANCE

Before being allowed to begin practice for any sport, including practice for fall sports prior to the beginning of the school year, students must meet the following requirements:

- A sports physical information packet **must be completed online at www.familyid.com**. A student must have passed a physical examination and the doctor's clearance page can either be uploaded to the website, or hand delivered to the school nurse. The online packet includes: a medical emergency form, medical history/insurance/physical information form, drug and alcohol policy awareness form and a CIF Ethics in Sports policy statement.
- A student is required by law to have insurance coverage in the amount of \$1,500.00 medical/hospitalization. Insurance Verification Cards may be obtained from the nurse's office if the family has medical insurance or Medi-Cal. Otherwise, accident insurance may be purchased through the district-approved carrier. Brochures regarding accident insurance coverage are available at the switchboard or the nurse's office.
- The student must have returned a signed district drug and alcohol policy awareness form and a signed CIF Ethics in Sports agreement.
- The student must meet the TUHS academic eligibility regulations. Students must have at least a 2.0 GPA on their last report card, and will be placed on probation for 6 weeks if their GPA falls below a 2.0.

BEHAVIOR ON THE SCHOOL BUS

Students should remember that while on the bus they are under the supervision of the school. Students are expected to follow the directions of the driver and to refrain from boisterous or dangerous behavior. Failure to behave properly on the bus or at bus stops will result in loss of riding privileges and/or other disciplinary action. All buses are equipped with video cameras to ensure safety.

CALCULATOR RECOMMENDATIONS

All students taking geometry will be using a scientific calculator in class. A limited number of calculators are available for class work; however a calculator will be needed to complete many of the homework problems. Students who wish to purchase their own are encouraged to buy a TI-30XIIS (Texas Instruments) scientific calculator (approximately \$10 to \$15 each).

Students taking Algebra II, Precalculus, AP Calculus AB, AP Calculus BC, and AP Statistics will be using a **graphing calculator** in class. As a limited number of calculators are available for class work, students may wish to purchase their own (at the very least, students will need a scientific calculator in order to complete all homework). The **TI-84 Plus CE** has a new operating system and is the **preferred graphing calculator model - additionally, it has rechargeable batteries**. They are used during class in the advanced courses (Precalculus, Calculus, and AP Statistics) and are highly recommended.

For those students who plan to take AP Calculus AB or BC, the graphing calculator is required for the AP tests, and all Calculus classes will be taught using the **TI-84 Plus CE**. Other models of the TI-84 Plus will suffice, as well. Graphing calculators sell for approximately \$75 to \$140, and are the least expensive when purchased during the Back-to-School sales.

CHEATING, PLAGIARISM, OR FORGERY

Students are expected to conduct themselves honestly and with integrity in their work. The acts of cheating, plagiarism, or forgery in connection with academic endeavors or school process or procedures are detrimental to the education process and are grounds for disciplinary action. All forms of cheating and plagiarism are prohibited. Behavior that is unacceptable includes, but is not limited to:

- ◆ Copying another student's homework;
- ◆ Working with others on projects that are meant to be done individually;
- ◆ Looking at or copying another student's test or quiz answers;
- ◆ Allowing another student to look at or copy answers from your test or quiz;
- ◆ Using any other method to get / give test or quiz answers including, but not limited to, the use of technological devices such as cell phones;
- ◆ Taking a test or quiz in part or in whole to use or to give others;
- ◆ Copying information from a source without proper attribution; and
- ◆ Taking papers from other students, publications, or the Internet.

Violators of this policy will be disciplined on a case-by-case basis depending on the seriousness of the violation, prior violations and other factors. Disciplinary measures include, but are not limited to, teacher/parent conference, redoing assignments / retaking tests, receiving a failing grade on the project / test, receiving a lower overall grade in the class, detention, referral to a Counselor or to an Assistant Principal.

CLEAN CAMPUS

Everyone is expected to assist in keeping the campus clean. Sufficient trash cans are placed throughout the campus to enable everyone to avoid littering with only a minimal effort. The cleanliness of the campus is a reflection of our students and our school.

COMPUTER USE AGREEMENTS AND ID NUMBERS

Computer use agreement forms and cards are available from the Library Media Center. Students will be assigned a computer ID that will permit them to use campus computers. The student should keep this computer ID number confidential. Before school begins on the day of the POW WOW, students will receive their computer ID number, student ID card, and class schedule. Computer use has become an integral part of every student's daily classroom instruction. Therefore, students are encouraged to memorize their computer ID number and not allow other students to use their account.

CONTACTING STUDENTS DURING THE SCHOOL DAY

If you need to contact your student at school, call the Assistant Principal's office. Only messages from the student's legal guardians will be accepted. In order to minimize classroom interruptions, the school will NOT allow gifts, flowers or balloons to be delivered to students during the school day.

DRUG AND ALCOHOL POLICY

The Board of Education believes that participation in extracurricular activities is a valuable educational experience for our students. The Board also believes that students who represent the school on such teams or groups are held to a higher standard, because they represent not only themselves, but their school. With that in mind, the Board has enacted the following regulations pertaining to the use, possession, sale, or otherwise furnishing of alcohol and drugs by members of extracurricular teams or groups that represent their school. These rules pertain to athletics and other activities listed below that are purely extracurricular in nature, meaning they are supported by the school district and are not part of a course where a grade is assigned.

- 1) Any student involved in athletics, cheerleading, Academic Decathlon, Mock Trial, Odyssey of the Mind, or Science Olympiad will be removed from the team or group if he/she chooses to use, possess, sell or otherwise furnish alcohol or drugs during school hours or while under the jurisdiction of the school, or at a school-sponsored event.
- 2) This policy applies to the use, possession, sale or otherwise furnishing of alcohol or drugs on or after the date adopted by the CIF for the first scrimmage allowed for that sport season, or the first day of scheduled practice for a particular group.
- 3) Any athlete who is removed from the team or student removed from a group for the use, possession, sale or otherwise furnishing alcohol or drugs will not receive a school letter or any other form of school recognition for that sport season or activity.
- 4) In addition, any student violating the above provision will be suspended for up to five days, removed from all school activities for 20 consecutive days, plus be placed on a one year probation.
- 5) Any student detected in the immediate area (car, hotel room, etc.) of alcohol or drugs while under the responsibility of the school will not be allowed to participate in any extracurricular activity for a period of 20 consecutive school days and be placed on probation for one calendar year.

NEW LEGISLATION requires school personnel to contact the police department for any violation involving alcohol or drugs.

DRUG TESTING - STUDENT ATHLETE

At the beginning of each school year, the Superintendent or designee shall provide information to all high school students and their parent(s) or guardian(s) about the student athlete drug-testing program, including the District's policies and procedures pertaining to such testing program. All informational materials provided for this purpose shall contain clear statements about how the student athlete drug testing program will be implemented.

ELECTRONIC DEVICE POLICY ~ CELL PHONES, IPODS, ETC.

Electronic devices (cell phones, Ipods, etc.) may be used on campus only during non-class times. Students found using their electronic devices during class time without teacher permission may have their device or phone confiscated and/or be subject to disciplinary action. Refer also to the section entitled Videotaping / Recording Fights (using an electronic device) for more information.

Board policy regarding electronic devices applies to all "high-stakes" testing. During the administration of the Smarter Balanced, CAHSEE, CELDT, AP, and SAT tests, all electronic devices (cellular phones, iPads, iPods, etc) **must be checked-in upon entering the testing site** (classroom, gym etc). The device will be returned upon completion of the exam and the student leaving the testing site. The student must re-check the electronic device if they choose to re-enter the testing site.

If the student is caught in possession of, talking on, or taking photos with the device; it is considered a breach of security and will result in an automatic 5-day suspension; the exam will also be invalidated.

EMERGENCY EVACUATIONS

Instructions for exiting all school areas are posted by the exit door in each room. The signal for an emergency evacuation is a series of bells, alerting staff and students that there is a need to evacuate the buildings. Students are to exit the buildings in an organized manner and stay with their instructor. No one is to re-enter the buildings until the all-clear signal is given. The all-clear signal will be a regular bell tone or verbal announcement given by an administrator.

GRADING

Six-week grades are a combination of daily class grades, quiz and test scores, and assigned reports, and are an indication of how a student is doing at certain points during the school year. A student's semester grades will be an accumulation and combination of all grades throughout an 18-week period. Report cards will advise whether or not a student is passing the benchmark exams.

HALL PASSES

Any student out of his or her assigned class during instructional time is required to have teacher permission, and they should also be wearing a "safety vest".

HARASSMENT

California's Education Code specifically prohibits discrimination, harassment, intimidation and bullying against students and staff in schools on the basis of gender, ethnic group identification, race, national origin, religion, color, mental or physical disability, actual or perceived sexual orientation or gender identity. Tulare Union will not tolerate harassment, intimidation or bullying of any student by any other student or district employee. Any case of harassment or bullying should be reported immediately to a school administrator.

Sexual harassment includes, but is not limited to, unwelcome sexual flirtations or propositions, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the educational setting. Other types of conduct which may constitute sexual harassment include verbal abuse of a sexual nature, graphic verbal comments about an individual's body, sexually degrading words used to describe an individual, the display of sexually suggestive objects or pictures in an educational setting, and any act of retaliation against an individual who reports a violation of the district's sexual harassment policy or who participates in the investigation of a sexual harassment complaint. Refer to the Sexual Harassment section for definitions and more information.

HAZING

California's Education Code includes hazing as an offense that is grounds for a student's suspension or recommended expulsion. Education Code section 32050 defines hazing as "any method of initiation or pre-initiation into a student organization or student body" or activity associated with "these organizations which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace." Conspiring to engage in hazing or committing hazing remains a misdemeanor.

HEALTH SERVICES / ILLNESS OR ACCIDENTS WHILE AT SCHOOL / MEDICATIONS

The Health Services Aide is the consultant for students concerning health problems. The nurse issues excuses from PE for physical illness, contacts parents when necessary, maintains health records, supervises vision and hearing examinations, and issues off-campus passes if a student becomes ill. Sports physical forms are issued in the nurse's office, as well.

Any student who becomes ill or is injured while at school should obtain a pass from his or her teacher and report to the Health Services office. If necessary, the Health Services Aide will contact the parents. Under no circumstances shall a student leave campus without permission. All students need to have an up-to-date EMERGENCY CARD on file. If a student is injured it is their responsibility to inform the teacher of the injury before the end of the school day. In the event of a serious injury, all students should make it their responsibility to see that a teacher or the Health Services office is notified immediately. Not notifying the school may invalidate insurance coverage. Parents are requested to keep the school informed of any special health problems the student may have and of any changes in emergency information. This information is confidential and will be available only to school personnel.

No medication can be dispensed to students unless accompanied by a doctor's prescription and transported in the original container. Parental permission must also accompany medication. Any student requiring prescription drugs at school must leave the drugs with the Health Services Aide who will dispense them to the student as ordered by the prescription. Students will be permitted to carry their own prescription medications if they have a doctor's note on file with the Health Services office. The Aide can dispense over-the-counter medication for headaches, stomachaches, or allergies to students only if a signed parent permission slip is on file.

Parents, please schedule student medical appointments during non-school hours whenever possible. Students who have doctor or dentist appointments during school hours need to bring a note to the attendance office or have a parent call before school so that an off-campus pass may be issued. Upon returning to campus after the appointment, the student must present the off-campus pass to the teacher to ensure the absence is excused. Any student leaving campus without an off-campus pass will receive an unexcused absence.

Students who must be excused from PE activities for medical reasons must bring a note from their parent. Any exemption from PE for more than two weeks requires a doctor's excuse.

LIBRARY MEDIA CENTER (LMC)

The LMC is open from 7:30 a.m.-4:30 p.m. Monday through Thursday and 8:00 a.m.-4:30 p.m. on Friday. Library books may be checked out by students with a valid school ID for 3 weeks; they are allowed to check out a maximum of 4 books at one time. All books must be turned into the library before another book can be checked out. Students with a valid school ID and valid computer use agreement may use the library computers which provide access to the card catalog of books and publications, electronic encyclopedias, magazine databases, MS Office, career information, and the Internet. Students must sign-in at the front desk when entering the library and have permission from an instructor if using the library during class time.

LITTERING

All staff and students are expected to assist in keeping the campus clean. Sufficient trash cans are placed throughout the campus to enable everyone to avoid littering with only a minimal effort. The cleanliness of the school campus is a reflection of our students and our school.

LOCKERS and DESKS ~ INFORMATION AND SEARCH AND SEIZURE—BOARD POLICY 5145.12

Students are encouraged to keep their books and other valuables with them at all times. Regular student book lockers are no longer available on campus. The PE classes have lockers to store the student's belongings during the PE class period only.

The Principal or designee may conduct a general inspection of school properties that are within the control of students, such as PE lockers or classroom desks, on a regular, announced basis, with students standing by their assigned lockers or desks. Any items contained in a locker or desk shall be considered the property of the student to whom the locker or desk was assigned. Because lockers and desks are under the joint control of the student and the district, school officials have the right and ability to open and inspect any school locker or desk without student permission or prior notice when they have reasonable suspicion that the search will uncover evidence of illegal possessions or activities or when odors, smoke, fire and/or other threats to health, welfare or safety emanate from the locker or desk.

At the beginning of each school year and whenever students are assigned lockers, desks or other district property, the Superintendent or designee shall inform students and parents/guardians of the possibility of random searches of students, their belongings and district property under their control. Random canine searches will be performed throughout the school year. Our goal is to maintain a safe campus and discourage students from bringing inappropriate items to school.

PE lockers not being used by students assigned to those lockers are subject to being cleaned out so they may be reissued to students in need of a locker. Lockers are cleared out periodically for maintenance or cleaning; students are notified before this takes place. At the end of the school year, personal property left in the PE lockers is subject to disposal or donation.

LOST AND FOUND

When a student loses or finds an article, it should be reported immediately to the Assistant Principal's office to assist in the quick recovery and return of the article to the owner. If a textbook is lost, the student should check first with the teacher and then with the library textbook clerk. If items are lost in the gym, students should check with the PE teacher and the locker room attendant.

MAKE-UP WORK

If a student is ill, assignments may be requested through the Counseling office. It takes approximately two days for the materials to be collected.

MODIFIED CLOSED CAMPUS

In the interest of student safety, Tulare Union is a modified closed campus. Students are not allowed to leave the campus anytime during the school day, except during the lunch period, unless they have an off-campus pass. Freshmen and sophomores will remain on campus during the lunch period unless a parent request has been made, and approved, through the Assistant Principal's office. Juniors and seniors who are in "good standing" are allowed to go off campus during the lunch break if they show a current student ID card when leaving and returning to the campus, unless a parent or guardian requests that their student be restricted to the campus. The "good standing" criteria is based upon the student's behavior and discipline records, good school attendance, academic performance and no outstanding fees or fines. Student's academic performance is included in an effort to emphasize to students the importance of maintaining adequate academic progress and staying on track for graduation.

In order for juniors and seniors to receive off-campus privileges during lunch, students must meet the following requirements:

Juniors: Accumulate 100 units by the beginning of the first semester of the junior year; or accumulate 130 units by the beginning of the second semester of the junior year. **They must also maintain a 95% attendance rate.**

Seniors: Accumulate 160 units by the beginning of the first semester of the senior year; or accumulate 190 units by the beginning of the second semester of the senior year. **They must also maintain a 95% attendance rate.**

Sophomores in good academic standing who maintain a 95% attendance rate can earn off campus privileges during the second semester.

OBJECTIONABLE MATERIAL

Sex education, family life education, and birth control information may be presented in our Physical Education, Home Economics, and Science classes. Parents have a right to ask that their student be excused from these classes during times when these subjects are being discussed. Parents also have the right to review any of the materials used in the classes. If a parent has any questions about the materials or their rights, their student's counselor will be happy to assist.

OFF CAMPUS PASSES

Students who need to leave campus during the day, other than juniors and seniors who go off campus during lunch, are required to have an off-campus pass. PARENTS MUST NOTIFY THE ATTENDANCE OFFICE IN THE MORNING BEFORE SCHOOL BEGINS to get an off-campus pass for their student. All off-campus passes are issued by the attendance office. Parents of 9th and 10th grade students must come into the office to check out their student and receive the off-campus pass. For 11th and 12th grade students, a note or phone call from the student's parent/guardian is required IN THE MORNING BEFORE SCHOOL BEGINS for an off-campus pass and the exact date, time and reason for leaving must be stated. Leaving campus without permission is a serious infraction.

OVERT DISPLAYS OF AFFECTION

A high school campus is not the place for overt physical displays of affection between students. All students are expected to demonstrate appropriate behavior.

PHYSICAL BRUTALITY TOWARD AN INANIMATE OBJECT

Students will be held financially responsible for willful destruction or damages incurred to school facilities and/or property and will be subject to disciplinary action.

PHYSICAL EDUCATION ATTIRE

The PE department encourages all students to dress in proper attire for their classes. Since physical activities, skills, and sports are emphasized each day in class, students are required to dress appropriately. Red shorts, a white shirt, and tennis shoes are recommended. PE uniforms, shorts and shirt, are available for purchase in the PE department, as follows: \$20 for Cotton (\$10 ea top or shorts), or \$30 for Dry Fit (\$15 ea top or shorts).

REPORT CARDS

Student progress will be monitored very carefully. A report card will be mailed home every six weeks. The first semester report at the end of December and the second semester report in June are final report cards, and those grades will appear on the student's permanent transcript. Report cards will also advise whether or not a student is passing their benchmark exams.

SCHOLASTIC ELIGIBILITY

Tulare Union offers a full program of athletics for both men and women. In order to participate in sports, and all other extra-curricular activities, a student must maintain a C (2.0) grade point average or better in all classes during each six-week grading period and must be on track toward graduation. Students who do not maintain this average will be placed on probation for one 6-week grading period. If the grade average does not improve to the required 2.0 minimum, the student will be declared ineligible and removed from the activity. This applies to other extracurricular activities, as well. New freshmen just entering high school that did not earn a 2.0 grade average in 8th grade will be placed on a 6-week probation.

SEARCH AND SEIZURE—BOARD POLICY 5145.12 (See also LOCKERS and DESKS~INFORMATION AND SEARCHES above)

All student lockers and desks are the property of the high school district. The Principal or designee may conduct general inspections, as well as, random inspections of school properties that are within the control of students, such as lockers and desks. Any items contained in a locker or desk shall be considered to be the property of the student to whom the locker or desk was assigned. The administration reserves the right to search an individual student backpack, purse, pocket, electronic device, or any other item necessary to keep a safe school environment.

SENIOR ARGUS YEARBOOK PICTURES

Seniors need to have their photo taken to be included in the senior's color section of the Argus Yearbook. Gainsborough Studio (686-4838) will take senior yearbook pictures at no cost on one of six sitting dates. Check with the Principal's office for a flyer of the dates or contact the studios for a private sitting, or check our website at tuhs.tjuhds.org. In order to insure consistency, no senior yearbook picture will be accepted from any other photographers.

TARDIES AND ATTENDANCE POLICIES (Telephone: 688-8847 and 686-4761)

TARDIES: Prompt and regular attendance is necessary for success in high school and on the job. The district has established attendance policies to encourage students to be punctual and regular in their attendance. Not only is punctuality an important employability skill, but students who come to class late create special problems for the teacher. Often the late student has missed out on important instructions given at the start of the class period. The late student is also an interruption to the other students in the class. Students with excessive tardies will be subject to lowering of their grade in class, after school or noontime detention, suspension from class, Saturday School, loss of credit, and loss of off-campus lunch privileges.

ATTENDANCE: The number one cause of student failure is poor attendance. Poor attendance habits started in school often carry through to adult life and are a major factor in job loss. We realize that students are sometimes unable to attend school due to illness or family emergencies. In those cases, parents are responsible for notifying the attendance office to clear the absence. Parents should call the attendance office at 688-TUHS (688-8847) on the day their student is absent, or send a note with the student on the day they return to school. Failure to clear absences within this 24-hour period may result in the student being denied credit for any make up work completed. Students with excessive absences or habitual truancy (cutting) will be subject to after school or lunchtime detention, Saturday School, suspension from school, loss of off-campus lunch privileges, removal from class with loss of credit, or transfer to an alternative educational program. In order to participate in the graduation ceremony, all seniors must maintain a 95% attendance rate throughout the school year. All juniors and seniors must maintain a 95% attendance rate to have off-campus lunch privileges. (For more information please refer to Graduation Requirements and Ceremony).

TELEPHONE USAGE BY STUDENTS

There is a telephone available in the Switchboard office for student use and is available before and after school, at break and during lunch. Students are not allowed to use the phone during instructional time unless they have their teacher's permission and a valid hall pass to do so. Cell phones may be used only during non-class times. Students found using their cell phones or any electronic devices during class time may have the phone or device confiscated and/or be subject to disciplinary action.

TEXTBOOKS

Textbooks are furnished to students free of charge. The average price of a textbook is \$85. Students are responsible for all textbooks checked out to them and will be charged for any that are missing or damaged. Students who take care of their textbooks will save money and inconvenience. It is suggested that students keep their textbooks with them at all times. The cost of textbooks is by far the most expensive item in schools today and students are encouraged to cover and take care of them. All textbooks have been bar coded to assist in maintaining accurate records. Any student who deliberately removes or destroys the bar code on their textbook will be charged a \$1.00 barcode replacement fee or the cost of the textbook if unidentifiable.

At the end of every school year, some students do not return their textbooks, library books, or pay their library fines and bills. A letter will be sent home to parents with all the details. Pursuant to California Education Code, diplomas will be held until all outstanding charges have been reconciled.

TOBACCO

The use or possession of tobacco in any form is prohibited on the school grounds and at all school activities.

TRANSLATION SERVICES

Many staff members are bilingual or trilingual to assist our non-English speaking community. The campus also has the capability to translate publications into Spanish or Portuguese, as requested. Any parent whose primary language is not English has the right to have our publications translated into their primary language. For more information, contact the Assistant Principal's office.

TUTORING

Extra academic tutoring is provided for students throughout the school year and all students are encouraged to take advantage of these opportunities. Interested students should check with their teachers or counselor for times and locations.

UNAUTHORIZED SALES

Students may not sell food and other items on the campus unless they represent a school-sponsored club or activity that has received permission to sell by the ASB.

VALEDICTORIAN / SALUTORIAN

Valedictorian honors shall be awarded to any student with a 4.0 or higher grade point average (GPA) and Salutatorian honors to the student or students in case of a tie with the next highest GPA earned within the following guidelines:

1. Grades from all eight semesters in high school plus all other approved credits (summer school, adult school, etc.) shall be used in computing the GPA with the following limitations:
 - ◆ All physical education grades shall be excluded from the GPA computation.
 - ◆ A maximum of 10 units within the first 240 units can be earned as a teacher aide or office aide.
 - ◆ A maximum of 20 units within the first 240 units can be earned in work experience.
 - ◆ A maximum of 60 units in Adult School vocational programs can be included in the GPA computation.
2. Transfer students must be in attendance for at least the final semester prior to graduation.

4. Honors or Advanced Placement classes at the 11th and 12th grade levels only are graded: A=5 points, B=4 points, C=3 points, D=2 points. These grade point values shall be used in arriving at a student's G.P.A. for this regulation.

VALUABLES / STUDENT CARS

Students are encouraged to leave all valuables at home. While Tulare Union staff make every effort to minimize theft – and there are severe consequences for students who take the belongings of others – the school cannot be responsible for lost or stolen items. School insurance does not cover the loss of student valuables taken from lockers or damage to student cars parked in the student parking lot.

VIDEO SURVEILLANCE

The campus employs video cameras for surveillance which are used to monitor the outdoor parking lots, indoor hallways and the campus in general. Video recordings may become part of a student's educational record and can be used as evidence for student discipline purposes. The video cameras are intended to ensure student health, welfare, and safety of all staff, students and visitors to safeguard district property facilities and equipment.

VIDEOTAPING / RECORDING FIGHTS - OR INSTIGATING FIGHTS

Any use or illegal use of an electronic device (such as a cell phone, smart phone, video or digital camera, iPod, MP3 or MP4 player or any device capable of audio / video recording) that violates district policy is prohibited. Any student who intentionally uses an electronic device to record a fight; or instigate, aid or abet a fight for the purpose of recording such fight will be subject to disciplinary action.

VISITORS TO THE CAMPUS

Due to crowded conditions and the possible distraction from the instructional program, students are not allowed to bring visitors to campus. This includes family members, other relatives or siblings, or friends from outside school. We do encourage parents to visit campus anytime, but ask that they make arrangements in advance with the teachers and administration. All visitors must check in to the security guard station upon arrival to the campus.

WORK PERMITS

The Tulare Joint Union High School District Board of Trustees recognizes that part-time jobs can provide students with income, work experience, and enhanced self-esteem. In accordance with law, students shall obtain work permits from school authorities before accepting employment. In order to qualify for a work permit, a student must demonstrate good attendance, good grades and maintain a minimum progress toward meeting the high school graduation requirements prescribed by the district board of trustees. In determining whether to grant a work permit, the school shall consider whether employment will significantly interfere with the student's schoolwork or jeopardize his/her health. Work permits for students who are ages 14-17 shall be limited to part-time employment as defined by law and administrative regulations, except when the Superintendent or designee determines that circumstances warrant the granting of a permit for full-time employment.

Approval / Revocation of Work Permits: No work permit shall be issued until the student's parent/guardian, foster parent, caregiver with whom the student resides, or residential shelter services provider has filed a written request with the district. Work permits shall be requested and issued through the Career Center. A student 16 or 17 years of age may receive a permit to work outside of school hours for no more than four hours on a day on which the student is required by law to attend school. A student 14 or 15 years of age may receive a permit to work outside of school hours for no more than three hours on any school day and no more than 18 hours in any week. In order to be granted a work permit the student must:

- Have established in the previous grading period a GPA of no less than 2.0 on a 4.0 scale. A six-week probation period for the GPA may be granted to students requesting a work permit under the following conditions:
 - ◇ Parent/guardian permission is required
 - ◇ The probation period must follow the first grading period in any continuous series of grading periods in which the student received less than a 2.0 GPA
 - ◇ Summer school and summer vacation time shall not be considered a probationary period
 - ◇ Student must meet the required standards by the end of the probationary period in order to remain eligible to be issued a work permit
- Maintain a minimum progress toward meeting the high school graduation requirements prescribed by the Board of Trustees. Minimum progress toward graduation shall include all courses taken by the student and be based on the following: 55 units by the end of the 9th grade; 110 units by the end of the 10th grade; and 165 units by the end of the 11th grade
- Maintain a minimum of 85% attendance rate in all classes

Any requests for exemption from the GPA, unit or attendance requirements must be brought by the site Principal to the Superintendent's Cabinet for approval. After issuing a work permit, the student's counselor shall inspect the student's scholastic and attendance records at the end of each grading period to ensure the maintenance of academic progress. If the student fails to maintain their scholastic and attendance requirements for any grading period, the student's counselor shall contact the student's parent and employer and revoke the work permit. When the student has achieved the minimum GPA, attendance and credit requirements, a new work permit can be issued. Work permits issued during the school year shall expire five days after the opening of the next succeeding school year. Complete District guidelines regarding work permits are found I Board Policy 5113.2 and AR 5113.2 (a) (b) (c) (d).
